## Services Menu

## Beauty Essentials

### Avalon Manicure

60 mins

Experience an essential manicure that pampers your hands, complete with a scrub and mask to rejuvenate and illuminate your skin. These treatments harness the benefits of antioxidants and the soothing properties of pomegranate and fig, leaving you with a finishing touch of color.

### Avalon Pedicure

75 mins

An indulging treatment that pays homage to herbal medicine using clay infused recipe with herbal and essential oils to heal and restore, all while you relax with a powerful reflexology treatment for a grounding experience.

### Aromatherapy Manicure

60 mins

An original hand treatment that incorporates the benefits of essential oils, providing a relaxing and comforting effect using an avocado and lemon extract hands scrub. This is followed by a honey mask that will hydrate and keep your skin moisturized while receiving a relaxing hand and arm massage with our essential oils. A complete nail treatment accompanies this one-of-a-kind manicure.

### Aromatherapy Pedicure

60 mins

Our relaxing experience with aromatherapy, using essential oils to harmonize your soul and mind. Citronella, avocado oil and white tea extract restore balance to your skin followed by a cooling honey mask providing you with a refreshing and unique sensation.

### Basalt Stones Pedicure

75 mins

A special treatment for your feet starting with a honey scrub for detoxification. After, enjoy a thermotherapy session with hot stones infused with eucalyptus oil applied to the legs to alleviate pain and relax the muscles. These basaltic stones will connect you to the earth, releasing any tension that you may have.

### Botanical Hair Treatment

120 mins

Enjoy an extraordinary aromatic journey through a unique and refreshing hair treatment, that will help you clean and remove residue from hairspray and other products. Essential oils used have been specifically designed to restore any hair damage. Allow yourself to be pampered with our relaxing shampoo massage, originally from India. This treatment offers you immediate results, which will leave your hair looking silky, hydrated and completely renewed.

### Shampoo & Blowdry

During the shampoo, specific vegan hair care products are applied, tailored to each hair type, for a complete transformation.

### Haircut & Shampoo

Natural essences, accompanied by a head massage to awaken your senses and craft a unique design in the hands of our specialists with our vegan line, using native plants to create a new version of yourself.

### Makeup

Naturalness and glamour to highlight your natural beauty on any special occasion.
